## Alternate Launch Waiver

### Laser / 420 Line Launch from TCYC on July 14th and 15th, 2015

At your election, you may choose to launch your Laser and/or 420 from TCYC on July 14th and 15th rather than the primary Lakewood Yacht Club venue. However, Race Committee (RC) for the Laser / 420 line will operate from the Host Club, Lakewood Yacht Club, on July 14th and 15th. All signal flags will be displayed at the Host Club. Duplicate signals and copies of all posted documents at the Host Club may be duplicated by a volunteer at TCYC as a courtesy only. Display of duplicate signals and duplicate posted documents from Host Club to TCYC is UNOFFICIAL, and Race Committee does not guarantee that such will occur. Signals made ashore at Host Club and all posted documents posted at the Host Club, Lakewood Yacht Club, will control over any duplicate signals and copies of posted documents made or posted at TCYC.

Racing will take place on Galveston Bay only. If the RC decides to move racing to Clear Lake, RC will post a change to the schedule in advance, per the SIs.

I \_\_\_\_\_, am the parent / legal guardian of \_\_\_\_\_ (Sailor). Sailor has elected to launch and return to TCYC on July 14th and 15th rather than the Host Club, Lakewood Yacht Club, and I hereby authorize Sailor to do so. Parent/legal guardian and Sailor assume all risks, responsibilities and liabilities, including injury to Sailor and his / her vessel, or missed races resulting from Sailor's launching and returning to TCYC rather than the Host Club.
