- This is the first Circuit Stop of the 2015 J/24 Texas Circuit.
- The Regatta is open to all J/24 yachts as defined by the IJCA and whose entries are accepted by the organizer (“Competitors”). Helmsmen must be full members of a NJCA or the IJCA. The Notice of Circuit for the J/24 Texas Circuit is located at www.j24texas.com.
- Races will be sailed on windward/leeward courses or variations thereof. Offset weather marks and leeward gates may be used.
- The Regatta will consist of as many as six (6) races over two (2) consecutive days. Three (3) races must be completed to count towards the overall 2015 J/24 Texas Circuit series scores. No race scores will be excluded from a boat’s Regatta score. This modifies rule A2. The scoring penalty as provided by RRS 44.3 and as modified by the sailing instructions will apply.
- All Competitors are subject to inspection and measurement at any time during the Regatta. The mainsail, 150% genoa and spinnaker must all have the same sail numbers as their J/24 yacht hull number. In accordance with Class Rule 2.5.3, all yachts must have a current, valid Measurement Certificate. Any yacht without a Measurement Certificate should contact a class measurer or the Governor to arrange for yacht measurement in order to obtain a Measurement Certificate. Any yacht without a Measurement Certificate may race in the Regatta with the prior approval of the Governor. All yachts must also carry aboard the *Inventory of Required and Optional Equipment* per Class Rules 2.5.6 and 3.7.3. This form is the sole responsibility of each owner or helmsman and does not require a class measurer to complete. All Competitors will be subject to crew requirements pursuant to Class Rule 5 and encapsulated corrector weights pursuant to Class Rule 3.7.2. Scales will be provided at registration for weighing all crew members. No formal provisions for boat measurement will be available at the Regatta.
