- 1.2 Standard NCPHRF ratings will be used.
- 1.3 See SI 11 below for Minimum Equipment Requirements.
- 1.4 Boats shall not impede the passage of commercial vessels and shall comply with the IRPCAS. In the case of a complaint by the Coast Guard, the protest time limit shall be extended. This changes rule 61.3. Compliance with rule 60.2(a) shall not be required. The Santa Cruz Yacht Club will cooperate with and provide information relevant to any investigations of impeding passage or violation of IRPCAS, enforced by the Coast Guard, or other government authority.
