

**LAUDERDALE YACHT CLUB  
OLYMPIC CLASSES REGATTA (LOCR)  
2016 FINN MIDWINTER CHAMPIONSHIP  
LASER AND LASER RADIAL OPEN  
JANUARY 16-18, 2016**

**SAFETY REGULATIONS**

*All coach and spectator boats must be registered and have a working VHF radio capable of communicating on channel 69. Only registered boats will be allowed to dock at the yacht club.*

*A diver down flag is a red rectangular flag with a white diagonal stripe. It may be displayed from a boat or an inflated device. When observed, keep well clear and travel at idle speed.*

*There is a heightened level of security in Port Everglades so when transitioning through Port Everglades it is important to follow the course laid out below.*

*Do not go under the west span of the 17<sup>th</sup> Street drawbridge. Transit only through the East span (the Pier 66 side). Stay on the East side of the port basin and follow the Intracoastal Waterway (ICW). The west side of the ICW demarcation line is a no-go zone. In the main channel, stay to one side and avoid all ships. At all times go idle speed until on the ocean side of the "go fast signs" (located about half way out the main channel). Idle speed means SLOW. If law enforcement detains you for speeding you run the risk of missing a start. By all means, obey the directions of law enforcement and or the Coast Guard.*
