

December 2, 2015

Hello Junior Olympic Competitors & Families,

Please find the attached competitors' information package. Which includes:

- Vehicle & Trailer Parking Map (Aerial View)
- Boat Dolly and Rigging Spot Map
- Boat Rigging Spot Assignments
- Lunch Procedure / Instructions
- Coach / Spectator Boat Instruction
- Hotel/Motel Information Data Sheet (REQUIRED AT CHECK-IN)
- Sailing Instructions
- Green Fleet Sailing Instructions

SAVE CHECK-IN TIME: Know your sail number and complete the required Hotel Motel Information Data Sheet prior to getting in line.

ARRIVAL INSTRUCTIONS

Please keep all vehicles off of the east rigging yard at all times AND off the south shoulder of our driveway as this shoulder will be assigned as rigging spots. Please proceed slowly with EXTREME CAUTION when driving through our back drive. Off-loading trailers is permitted along the sidewalk east of Regatta Headquarters. PLEASE DO NOT BLOCK THE SIDEWALK WITH YOUR VEHICLE. You will not be allowed to park here, it is only for loading and unloading. *Per local ordinance, please keep all vehicles off this grass shoulder throughout the weekend.* Again, please exercise EXTREME caution all weekend when passing through this area.

When you arrive take your boat to your assigned boat rigging spot. Please don't leave it blocking a walkway or in someone else's spot. (See list and diagram for spot assignments... NOTE: Assignments were made as of Nov 30th as per the NOR. All registrations after this time were placed in the available empty spots.) After properly placing your boat make sure your vehicle has been moved to a proper parking area so the next vehicle can get into position to unload. After parking proceed to check-in on the second floor of the Sailing Center (REGATTA HEADQUARTERS). Please know your SAIL NUMBER when you check-in. At check-in you will be given a dolly tag that matches your Rigging Spot Number, please attach this tag to your dolly. You will receive instructions as to where to pick up your numbered SAFETY WRIST BAND. (See SIs for SAFETY procedures)

All power boats should be launched at the adjacent boat ramp north of the Sailing Center. Coach Boats should not be docked at the USSCMC dock. Rafting coach boats is permitted on the outside areas of the launch docks. (see diagram attached) We recommend that you pull your coach boat each night and put it on its trailer. Overnight parking of boats on trailers should make use of LOTS #1 and #2. Race days we request that all trailers be parked at **LOT #2** west of Indian River Drive across from the boat ramp. Once the west lot is full large empty boat trailers may be parked at the boat ramp LOT #3, all small trailers and additional overflow should park north of the Sailing Center at LOT #1 west of Four Fish Marina. Parents, Coaches and Spectators in vehicles without trailers are asked to park in LOT #1 (north lot) or LOT #4 (south lot).

Four Fish Marina has graciously allowed us to use LOTS #1 & 2 for our regatta, so we wish to return their generosity with our courtesy. Please keep these lots clean and keep your cars parked neatly. Stay off of the irrigated lawns and keep your children off of any construction materials.

We are looking forward to an exciting weekend. Thank you for supporting the 2015 Junior Olympic Sailing Festival.

Sincerely,

Alan Jenkinson

Lunches & Safety Wristbands Dinner & Raffle

All competitors will have a *Subway* sandwich provided for lunch. Coaches and parents should plan to bring their own lunches. Drinking water will be available on the Race Course. *We remind you that the entire community of sailing is working towards being environmentally friendly, so we encourage our competitors to bring their own reusable water bottles and make every effort to keep trash from getting in the river.* The first 200 competitors to check in will receive a *refillable drink bottle* **courtesy of McLaughlin Boat Works.**

Lunches and safety wristbands will be distributed in the breezeway on the ground floor of Regatta Headquarters on Saturday and Sunday mornings. Distribution will open at approximately 8 AM each day. Each competitor (or representative) will provide his/her last name to the Lunch Desk Attendant to receive a lunch. *If the competitor is picking up lunch they will receive their safety wristband at the same time. If a representative is collecting lunches, then the competitor will need to also stop by to pick up their Safety Wristband.* **Skippers are responsible for the Safety Wrist Bands (420 CREW do not receive safety bands), so wristbands will be handed out to skippers ONLY.** We recommend that skippers wear the wristband on their wrist, but if it's too large it can be worn on the ankle or attached to the PFD to make sure it's not lost. At the end of each day wristbands will be returned to a similar location on the ground floor. **Refer to the Sailing Instructions Safety Section for details on the Safety Wristband procedures.**

Re: LUNCHES - It is recommended that each team assign a parent (or coach) to be responsible for collecting all lunches from their sailors or team. To receive a lunch you will need to check in by the Skipper's last name.

Lunches should then go onto the water with the coach boat. This procedure will allow sailors to have their lunch on a much more flexible schedule. There will most likely not be a designated lunch break on the water. Coach boats should be prepared with dry storage on their boat.

PLEASE plan to have a system in place for your TEAM

This procedure will save time on the water for more sailing and ensure that all sailors receive a lunch.

The USSCMC will be providing an evening **cookout Saturday approximately 5-6PM**, though we may make adjustments according to the day of sailing. It will take time to cook for such a large crowd so plan on being patient and hanging around for social time. The USSCMC appreciates your support of our regattas and our volunteers will do their best to make your time here enjoyable.

There will be a **free raffle Saturday during the cookout** which is supported by each of the vendors. **(Coral Reef Sailing Apparel, Sturgis Boat Works, BVS Performance and Sailing Specialties).** There will also be a fundraising raffle that will also take place immediately following the free raffle. The **fundraising raffle is to support our local High School Sailing** program and the winning prize is a **Free ZIM Opti Charter** (valued at \$400) available for redemption at any regatta where Zim is offering Opti Charters. Tickets will be sold at registration for \$5 each or five for \$20.

Sail fast and have fun!

Coach & Spectator Boat Instructions

All Coach Boats and Spectator Boats should refer to the Sailing Instructions regarding flag requirements and other details.

To ensure the safety of your powerboats overnight, it is recommended that all power boats be launched each day from the boat ramp adjacent to the US SAILING Center. For the coach's convenience, Coach Boats may tie up and raft up at the boat ramp on the outsides of the launch area. **DO NOT LEAVE A BOAT ON THE INSIDE OF THE RAMP LAUNCH AREAS.** Please do not leave spectator boats rafted overnight as space should be reserved for coaches.

Throughout the weekend we ask that all powerboats stay off the USSCMC boat dock to leave room exclusively for Safety Boats & Race Committee. Mid-day during racing these docks may be free for pick-up and drop-off of passengers, but please do not tie up to these docks and leave a boat unattended at any time. Any boat left unattended at these docks is subject to removal by USSCMC staff.

Single boat trailers with vehicles attached may be left at the boat ramp parking area at any time. During the day, if a vehicle is not attached to the trailer it should be left in one of the other parking lots **NOT THE BOAT RAMP LOT.** Only oversized multi-boat trailers should be left in trailer parking spots at the boat ramp lot without a vehicle attached.

PLEASE BE RESPECTFUL OF OUR LOCAL COMMUNITY OF BOATERS WISHING TO LAUNCH FROM THE BOAT RAMP DURING OUR REGATTAS. IT IS THEIR TAX DOLLARS THAT MAKE THESE RAMPS AVAILABLE TO YOU AT NO COST.
