

Nicholas

2016 St. Joseph's/Candler Leukemia Cup

Honored Hero

Nicholas was diagnosed with Acute Lymphoblastic Leukemia in April 2015. After intense chemotherapy treatments, Nicholas' bone marrow biopsy showed no signs of leukemia and Nicholas was in remission! Today, Nicholas is a 6th grader and an avid reader. He also has a 1st degree black belt in taekwondo and likes to swim. The Leukemia & Lymphoma Society is happy to recognize Nicholas as the 2016 St. Joseph's/Candler Leukemia Cup Honored Hero.
