

# 2016 Santana 22 National Championship Regatta

## Supplemental Information

- **Launching and storage:** The Club has a 2.5 ton hoist. A member will assist you with launching. Trailers may be stored along the launch approach area. Please leave adequate room for others to launch. An end tie will be made available for raft up of boats. There may be limited space at the rigging dock.
- **Parking :** We will have parking passes for 10 out of area competitors. See the Registrar, Nancy.
