

The 2016 New England 100 regatta

****This race is for experienced racers only****

Participants must be qualified to safely sail, navigate, and rescue themselves as circumstances require. It is the duty of each participant to know their limitations and make the decision on whether to sail.

All entrants must pass safety inspections by carrying:

On Each Sailor:

1 safety whistle & 1 knife

On each boat:

Waterproof chart of entire racing area (recommend laminated or bagged 8x10 cards)

1 waterproof flashlight

Compass (and/or GPS)

VHF and/or Cell Phone in waterproof case. Make sure its fully charged!!

GPS and VHF strongly recommended.
