Welcome to the 2017 Hobie 16 & 20 North American Championships!

We are very pleased to be hosting this event at one of our favorite venues, Lewis & Clark Lake in Yankton, SD. We thank our host, Fleet 291, for their assistance in making this event possible. With their help, we have planned a great event for all of you.

Hosting an event on this scale is a huge undertaking, but with great people to work aside, it's been a fun challenge. We've organized a top notch race committee, collaborated with some excellent caterers and have teamed with the "locals" to bring a bit of regional flare throughout the week.

Have fun, sail fast, and enjoy the experience!

We thank you for joining us,

Wendy Rice-Larson & Chris Wessels
