

29er Worlds Bow Sticker Placement

1. **Bow stickers are required on both sides**
2. **Zhik MUST** be the logo nearest the bow on both Port and Starboard sides of your hull
3. **Leading edge** of bow sticker should be within 13cm of the bow; the measurement team will mark your hulls using permanent marker to indicate the positioning at the bow
4. **Sticker must be 6cm below the rail** so they can be clearly seen
5. **If your bow sticker(s) comes off, it is your responsibility to replace them prior to the next days racing. The Regatta office will have spare sticker**
6. **Make sure you clean the hull thoroughly before applying the stickers for good adhesion.**
