Notice of Race: MAYRA Flying Scot Championship August 12th 2017

ADDENDUM#1 issued 3/5/2017

The 2017 MAYRA Flying Scot Championship will serve as MAYRA's Qualifier for the 2018 US Sailing Area C Sears Championship. The date and location of the 2018 Area C Sears Championship is TBD but it typically occurs in the spring of each year.

The Sears Championship is a part of US Sailing's Junior Championship series and is sailed in triple handed boats. The US Sailing age limitation for the Sears Championship is such that sailors may not have reached their 19th birthday in the calendar year of the event.

For the purposes of MAYRA Qualification, the skipper with the lowest points score who has not reached his/her 18th birthday during 2017, shall qualify as MAYRA's representative to the 2018 Area C Sears Championship.

MAYRA will pay the registration fees for the 2018 Area C Sears Championship for the qualifying team.
