NOTICE OF RACE – ADDENDUM NO. 1

The “Rules” section of the Notice Of Race has been revised to reflect a change in the requirement for the threshold number of pre-registered Laser Radial entries required for a separate fleet from twelve (12) to fifteen (15). The reason for this revision is to bring the NOR into alignment with the ILCA-NA “Guidelines for Laser Masters Championship Regattas”. The full text of the revised article as follows:

RULES:

The current Racing Rules of Sailing (RRS), the prescriptions of US Sailing, ILCA Rules, this Notice of Race, and the Sailing Instructions shall be in effect. In case of conflict between the Notice of Race and the Sailing Instructions, the Sailing Instructions shall prevail.

RRS 40 is changed as follows: Competitors shall wear personal flotation devices, except for brief periods while changing or adjusting clothing or personal equipment. Wet suits and dry suits are not personal flotation devices (Code Flag Y need not be displayed).

Laser Class Rule 27(d) is changed by permission of ILCA North America as follows: Unless a minimum of fifteen (15) Radial entries has been received by the pre-registration deadline, all entrants shall start and finish together and be scored as a single fleet. Competitors may choose Standard, Radial or 4.7 rigs at their discretion, provided that all rig changes are made on shore and all sails have the same number – Rig-Swapping Rule turned on. If a minimum of fifteen (15) Radial entries has been received by the pre-registration deadline, the Radial fleet shall be given a separate start and shall be scored separately from the Standard Rig fleet – Rig Swapping Rule turned off.
