

Eugene Yacht Club
HARVEST REGATTA
September 16-17, 2017

NOTICE OF RACE

You are cordially invited to participate in the 2017 Harvest Regatta, hosted by the Eugene Yacht Club. The Regatta will be governed by the rules as defined in the Racing Rules of Sailing 2017-2020, except as any of these may be altered by the Sailing Instructions or by class rules that do not conflict with the Rules or Sailing Instructions.

Format: Seven races are scheduled. One race constitutes a regatta. Sailing Instructions and Course Sheets will be available on September 16 at the Regatta site.

Classes: The Regatta is open to all one-design and PHRF classes. Classes participating in recent years have included Thistle, Lightning, Star, Day Sailers, Snipe, Laser, Santana 20, Lido 14, Holder 20, Ultimate 20, Pelican, Wavelength 24, multihulls and several PHRF Keelboat categories (with valid current certificates from PHRF Northwest).

Scoring and Trophies: Five or more registered boats in a class will be scored as a Fleet. One race may be thrown out for scoring purposes if six or more races have been completed. No races will be thrown out if completed races are five or fewer. Provisions will be extended for handicap racing in a Portsmouth Centerboard Fleet. Trophies will be awarded according to the number of registered boats in each Fleet.

Registration: Eligible boats may enter by completing the included Registration Form and submitting it, together with the required fee described on the Form. Entries will be accepted until 11:30 AM on September 16. Find registration form online at www.eugeneyachtclub.org. There will be a link to US sailing regatta network where you can register and pay for meals, shirts, and entry fees. You can register and pay online or register and pay at the regatta. Entry Fees are \$40. A \$5 discount for US Sailing membership will be applied.

Insurance: Competitors participate in the Regatta entirely at their own risk. See Rule 4, Decision to Race. The organizing authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the Regatta. Each participating boat shall be insured with valid third-party liability insurance with a minimum coverage of \$100,000 per event or the equivalent.

Mail Completed Registrations:
(not necessary if registered online)

| 11:00 AM | On Call for Racing | Lake Race Area |
| Post Racing | Awards Ceremony | EYC Clubhouse |
| Post Racing | Pizza Dinner | EYC Clubhouse |

Please pay particular attention to these EYC Ground Rules

1. ***Under no circumstances are pets of ANY kind allowed on yacht club grounds***, even if they are left in a vehicle or other enclosure. If you would like to bring your pet, camping is available at Lane County's Richardson Park, immediately northwest of the EYC grounds. Some electrical and water hookups and pay showers are available. A reservation fee applies. Call Lane County Parks at 541-682-2000 for information and reservations or reserve online at <http://ecomm.lanecounty.org/parks>.
2. Please observe the ground signs and instructions for camping, swimming and parking of boats, cars and recreational vehicles. If you arrive late (after 10:00 pm on Friday), please park and camp in the area just to the right inside of the EYC gate. ***Keep cars off the grassy areas (they are soft and we have a delicate underground irrigation system) by using the available trailer dollies to move boats.***
3. Alcoholic beverages may be consumed discreetly and in moderation on Club grounds.
4. Be conscious of safety. Please watch your children when they are on EYC grounds, even though they may be in the designated swimming area. Please don't run, jump, or fish on or from the docks. ***Small children must wear life jackets at all times while on the docks or near the water.*** Child safety while on EYC grounds is a parent's responsibility.
5. For those who plan to bring an RV: Eugene Yacht Club, at the insistence of the County Fire Marshall, can no longer permit electrical cords, hoses and water pipes to cross vehicle traffic areas. Very few Club RV parking spaces are equipped with power hookups. Most RV campers using EYC grounds will therefore need to be fully self-contained.
