**WRSC Poplar Island Race
West River, MD, Saturday July 29, 2017
SAILING INSTRUCTIONS—Amendment 2
Includes: 1) Correction to Short Course marks**

4. The RC may shorten the course on VHF 68 and by flying Code “S” at the start of the race. Shortened courses: Clockwise: R “86”, G “85A”, to Finish. Round turning marks to Starboard. Counterclockwise: G “85A”, R “86” to Finish. Round turning marks to Port. Length – 8.5 nm

This corrects the short course where it called out “R 85” vs. “G 85A”.
