The DPYC slips are located directly east of the DPYC clubhouse. After you travel down the harbor main channel and proceed to the right through the turning basin, head right at the end of DPYC clubhouse and the slips are located in the first dock on your right. The slips are depicted on attached Document "DPYC Guest slip map.pdf".

The three assigned slips which are not located at DPYC are a little more challenging to find, so please call or text DPYC Port Captain Scott Schoeffel at (714) 745-6003, or DPYC Staff Commodore Pat Shoemaker at (949) 874-3084, for guidance to your slip when you arrive in port.

All other racers who have requested slips will be welcome to anchor out in the Dana Point Harbor turning basin located just west of DPYC. Fore and aft anchors are required. A raft-up in the turning basin for visiting racers has been permitted by the Orange County Sheriff's Department, so please feel free to join your fellow racers for some post-race fun and camaraderie. Shore boat service will be provided to and from DPYC on Saturday evening

and early Sunday morning. To request shore boat service, or if you have any other questions or need any help, please call or text Port Captain Scott Schoeffel or Staff Commodore Pat Shoemaker at the phone numbers set forth above.
