- 10.3 We will use golf carts to assist in launching and recovering trailer boats in the West Ramp parking lot and ramp area. This is to be helpful, and to minimize the number of vehicles in the launch area. The use of private vehicles during the assisted launch and recovery windows is prohibited.
- 10.4 We begin assisted launching two hours before the warning signal on Saturday and 90 minutes before the warning signal on Sunday. Please consider the number of boats. Boats waiting until late in the launch window may be delayed. The assisted launching ends 30 minutes prior to the warning signal each day.
- 10.5 We provide assisted recovery of boats for 90 minutes following the end of racing on Saturday and Sunday.
- 10.6 Keelboats should launch before the assisted launch window on Saturday and plan to stay in the water for the weekend.
