BYC Jr. Program Chair: Kellie Crete

Sailing Instructions

Important Event Introduction: The purpose of this event is to run a fun event for youth sailors in a more loosely competitive style in dynamic junior boats. Results are not nearly as important as everyone having a good time sailing. It is our goal that the sailors improve their skills, make new friends, and have a ton of fun. This event will be a combination of “conventional” style race formats with unorthodox “Un-Regatta” style courses and events. Don’t expect conventional round the buoys racing or upwind starts for all races. Capsizes, freestyle, speed and fun will be required. If you are a hard-core racer with rule book in hand, this event may not be for you. If you want to have fun, challenge your limits, and pioneer a new chapter in Youth Sailing, we invite you to come join the fun.

1 Rule Number One:

All sailors are required to participate in the spirit of fun and good sportsmanship at all times. Violators of Rule Number One may be publicly embarrassed or ejected.

2 Other Rules:

2.1 Races will be governed by O’pen BIC Un-Regatta Rules and generally accepted sailing rules with the following priority: these Sailing Instructions and subsequent Changes to Sailing Instructions, the O’Pen BIC Class Rules as modified by these Sailing Instructions, and the Notice of Race. In the event of a conflict between these Sailing Instructions and the Notice of Race, these Sailing Instructions and subsequent amendments will take priority. In true “Un-Regatta” spirit, this event is not run under standard Racing Rules of Sailing 2017-2020.

2.2 These special rules apply:

2.2(a) Expect unconventional courses and starting procedures. On different legs of the course there may be required moves signaled by loudhailer from the

Referees. Depending on the conditions, these may include stand-up sailing, required capsizes (mast tip must hit the water), 360 degree turns, or other freestyle moves or sailing thru/around obstacles. You must follow the referee's instructions.

2.2(b) When capsizes or freestyle moves are required, you must make sure you are clear of all other sailors, and don't interfere with or immediately obstruct other sailors. Capsizing or freestyling into another boat is NOT ok.

2.2(c) Competitors shall remain on or near their vessels at all times. In other words, no "boarding" other boats unless required.

2.2(d) There may be a Freestyle Expression Session that will be scored separately. Sailors will compete in three-minute heats that will be subjectively judged by the Panel of Undistinguished Judges. Be creative and have fun with it. Individual or tandem teams are scored equally. Come up with your creative team names.

2.2(e) The RC or Referees may change these sailing instructions orally, on the water by hail.

3 Marks (*Marks will be described in skippers meeting*)

3.1 The turning marks of the course will be described in the skippers meeting.

3.2 Starting line will be between a staff displaying an orange flag on the Race Committee signal boat and either a Starting Mark or a staff displaying a flag on a race Committee boat at port end.

3.3 The finish line will be between a staff displaying an orange flag on a Race Committee finish boat and either a Finish Mark or a staff displaying a flag on a race Committee boat.

3.4 Minor contact of the marks of the course is permitted. Contact that causes any damage, or the location of the mark to change or drag, is not permitted.

3.5 Hitting the Race Committee boat, start boat, or finish boat is always prohibited.

4 Starting procedures

4.1 Unless otherwise described, races will be started using a three minute audible start sequence as follows.

3 minutes to start: 3 long sound signals and raising of Class Flag

2 minutes to start: 2 long sound signals and raising of Preparatory Signal

1 ½ minutes to start: 1 long and three short sound signals

1 minute to start: 1 long sound signal and lowering of Preparatory Signal.

30 seconds to start: 3 short sound signals

20 seconds to start: 2 short sound signals

10 seconds to start: 1 short sound signal

5-4-3-2-1 seconds to start: 1 short sound signal counting down to start

Start: 1 long sound signal with lowering of the Class Flag

4.2 Individual and General Recalls will be signaled.

5 Kinetics

5.1 Pumping and ooching are prohibited unless flag "O" is being displayed from the Race Committee boat. If flag "O" is being displayed, then pumping and ooching are permitted. Rocking is always prohibited.

6 Protests & Referees

6.1 It is the responsibility of every competitor to sail in a manner that is fair and with due respect of their fellow competitors. Absolutely no intentional contact is permitted. The results will be decided on the water. Referees will be on the water to insure the results are a valid reflection of sailing ability.

6.2 Regardless of whether a penalty is called by the referees or not, competitors are expected to exonerate themselves from any rule infraction by completing one 360-degree turn for each infraction. One tack and one jibe in any order is required to complete a 360-degree turn. Competitors are encouraged to enforce the rules amongst themselves in a sportsmanlike manner by politely hailing "protest."

- 6.3** Penalties may be given on the water by hail from the referees for violating any rules. These may take the form of requiring one or more 360-degree penalty turns. All determinations and decisions of the referees are final.
- 6.4** Hitting a mark is not grounds for protest (see SI #3.4)
- 6.5** There will be no formal protest hearings except in extreme circumstances determined by the referees.

7 Notices to Competitors

- 7.1** Notices to competitors will be posted on the official notice boards at Beverly Yacht Club and Silvershell Beach.

8 Changes to Sailing Instructions

- 8.1** Any changes to sailing instructions will be posted before 9:00 am each day. Changes to the regatta schedule will be posted before 8:00 pm on the day before.

9 Signals made ashore

- 9.1** Signals made ashore will be displayed at the Beverly Yacht Club and Silvershell Beach.
- 9.2** When the AP (postponement) flag is displayed ashore, there will be no less than 15 minutes before the warning signal of the next start after the AP flag is lowered.

10 Schedule of Races

- 10.1** There will be a mandatory competitors briefing at Beverly Yacht Club and Silvershell Beach at 9 am on Tuesday.
- 10.2** The last possible time for a warning signal on Wednesday, will be 2:00 pm.
- 10.3** After a long postponement on the water, as a courtesy, the RC will indicate that the AP flag is about to be lowered with a succession of short sound signals.

11 Scoring

- 11.1** The Low Point O'pen BIC Un-Regatta scoring system will be used.
- 11.2** Boats will be scored points equal to their finish position, i.e., 1 point for first place, 2 points for second place, 3 points for third, etc.
- 11.3** One excluded score will be calculated for every four races completed. i.e. one for 4 races, two for 8, three for 12, etc.
- 11.4** If there is a series-score tie between two or more boats, each boat's race scores shall be listed in order of best to worst, and at the first point(s) where there is a difference the tie shall be broken in favor of the boat(s) with the best score(s). No excluded scores shall be used. If a tie remains between two or more boats, they shall be ranked in order of their scores in the last race.
- 11.5** Three completed races are required to constitute a series.
- 11.6** When different fleets are combined and started together. The sailor's overall finishing position will be his/her score for that race (i.e. finishes are NOT recalculated by separate age/gender groups)
- 11.7** Prizes will be given at the discretion of the organizing authority

12 Safety

- 12.1** As per O'Pen BIC Class Rules, life jackets are required to be worn at all times.
- 12.2** Special care must be taken to avoid contact with other sailors, including when special maneuvers are required. Pay particular attention to leaving enough room so your boom or mast tip does not hit another competitor.

13 Decision to Race & Disclaimer of Liability

The responsibility for a competitor's decision to participate in a race or to continue racing is hers/his alone. Competitors participate in the regatta entirely at their own risk. Beverly Yacht Club, Silvershell Beach (Town of Marion), BIC Sport, the O'Pen BIC Class, and all organizers, volunteers, and

race officials of this event will not accept in any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the competition. Before entering this event, a signed waiver will be required as well as publicity/media releases.

14 When all else fails, refer to Rule Number 1.

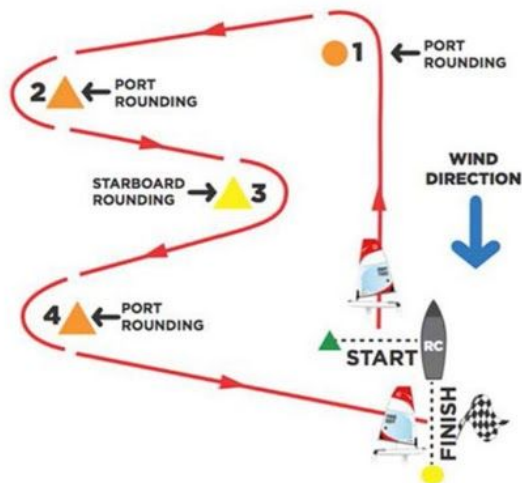

WARNING: Extreme levels of fun may be experienced during this event. Other sailing craft may appear less exciting after experiencing the O'Pen BIC.

Below is a sample of race courses that may be used by the Race Committee.
