Races will be held in the vicinity of Neuse River markers #17 and #19 and Broad Creek #2 near New Bern, NC.

**RULES**

The regatta and series will be governed by the 2017-2020 Racing Rules of Sailing. All boats shall comply with N.C. Wildlife Commission and U.S. Coast Guard safety regulations.

**ELIGIBILITY**

Entries shall be accepted from skippers of sailboats 20 feet or longer with a current NC PHRF rating certificate. Eligible boats may enter by sending the completed entry form and required fee to the address given or by registering online at Regatta Network.

**FLEETS AND CLASSES**

Anticipated fleets are Spinnaker, Non-Spinnaker, and Cruising. Cruising fleet can be selected at the request of the registering skipper and the sailboat must adhere to the rules for a Cruising fleet boat as prescribed by the ICRC (see definition at the end of the NOR). Only Spinnaker and Non-Spinnaker fleets will be scored for the NYRA Boat of the Year Award (BOTY). As always, the Winter Series score will count double for the BOTY award. The PHRF class splits will be determined by the PRO in his/her discretion and will be based upon entries received.

Individual awards for the Halloween Regatta will be presented at that social following the race. Winter Series awards will be presented at the Commodores Ball on February 24, 2018.

### **PHRF**

A NC-PHRF Rating Request form that can be submitted for boats that do not have a current rating is available at <http://www.ncphrf.com/>. If you need to apply for a rating, please send the completed and signed Request Form and check no later than 1 week prior to the regatta to the address on the form. A provisional/temporary PHRF certificate may be issued to a participating sailboat by the PRO at his sole discretion, pending sufficient warning prior to the start of the regatta or series.

### **RACE COMMITTEE**

The PRO for this series will be Bill Jarvis. Racing will be canceled on any day the RealFeel temperature as defined by Accuweather for New Bern is forecast to be at or below 35 degrees at the scheduled start time of racing. A pre-determination will be made *the day prior to the race* at noon based on the forecast for the start time of racing on [www.accuweather.com](http://www.accuweather.com) for New Bern. If the forecast predicts that the RealFeel temperature will be at or below 35 degrees at the start of racing the next day, racing will be cancelled. Notice of the cancellation will be posted on the NYRA website and sent to all the members of the Mailchimp NYRA email mailing list ASAP. Racing will be cancelled when the sustained wind speed as measured by the PRO is above 25 knots prior to the start of a race. Racing can also be canceled due to inclement weather at the discretion of the PRO at any time.

## **RULES GOVERNING CRUISING FLEET BOATS FOR ICRC RACES**

3. Powered winches are allowed.
4. A NC-PHRF rating for that particular boat must be issued.
5. Two of the four following additional Cruising Class requirements will be met, based on the statements of the boat owner at the time of registration.
  - a. Windlass or pulpit mounted anchor
  - b. Dodger/Bimini in place
  - c. The youngest sail to be 5 years old or older
  - d. Bottom paint 3 years old or older
