

Super 8 North Palm Beach

Discounted Rooms for Laser Masters Florida Championship

We can offer the rooms at **\$159** plus tax per night for your group. This is a discounted weekend rate; if some members would like to check in a day early (or check out a day late), the rate for those days will be **\$139** plus tax per night. This is an \$80 savings from our scheduled rate for that weekend!

I've created a special rate code for your members to use to make the reservations:

RATE CODE: LBMS

They will be able to enter this code in at www.super8.com (searching for Super 8 North Palm Beach) or they can provide this code to reservations at **561-899-6490**. I've set aside 10 rooms at this price – I will do my best to accommodate more rooms should they be available. Don't hesitate to contact me with any questions. Thanks.
