The two-weekend format, stretching from Morro Bay to San Diego and points east, will again enable host yacht clubs to select the best fit for racers wishing to participate in this unique event. This yachting tradition is a chance to test your skills against the best skippers on the West Coast or provide an opportunity to experience the thrill of competitive racing for the first time.

The SCYA Midwinter Regatta, the nation's largest sailing competition, offers 27 venues, attracts more than 600 competing boats, 100 classes and more than 2,500 sailors. Our Midwinter Committee has been working closely with SCYA, the regatta's commercial sponsors and participating host clubs to ensure everyone has a great time. Each hosting yacht club showcases what they have to offer the sailing community. The Southern California Yachting Association, now in its 96th year of service, continues to facilitate member club communications, sponsors a variety of boat safety seminars, club management training, legislative representation, honor awards and much more.

Successful past Midwinter venues tell the story about this unique event. You will have a great racing experience. You will find networking opportunities. Most importantly, you will have a great time on the water! Pick your race dates and sign up early

For the 2018 Midwinter, racers will be able to register and pay entry fees online at SCYA's website: www.scyamidwinterregatta.org. Please see details in the Notice of Race which follows.

Dear SCYA Midwinter Regatta Participants:

Welcome on being part of SCYA's 89th Midwinter Regatta, which is the largest regatta in the nation encompassing 27 hosted venues participating in two weekends with over 600 competing boats and more than 2,500 sailors. This year's Midwinter Regatta promises to be one of the best with the expected addition of invited classes, including one-design, PHRF, Cruisers, Multi-hulls, dinghies, model boats, predicted log and various sponsors, which will only enhance the boating and racing experience to all those involved.

New for 2018 – Online Registration on SCYA's website: For Midwinter 2018 we offer online registration at www.scyamidwinterregatta.org for all host club venues. Simply click on "2018 Regatta Information" which takes you to a list of the host club venues. Click on the venue of your choice, fill out the registration form and complete your entry using the online payment feature. Your selected host club will have access to your registration data. Check back with your host club via its site on scyamidwinterregatta.org for sailing instructions, all other race documents and results. For paper entries, please mail the Entry Form which follows to SCYA or directly to your host club along with your check made payable to "SCYA".

The 2018 Midwinter Regatta is being run once again on two different weekends, the first being the 10th and the 11th and the second will be the 17th and the 18th of February. This allows the various clubs to pick the best dates to increase participation in their invited classes, to add classes to their schedule and allow the best racers of different classes to participate in multiple races over the two weekends. This year race participation will be enhanced by the addition of our disabled sailors racing alongside able-bodied sailors in various races and in certain of our venues.

Funds generated by this event help support SCYA in their continuing contributions to our racing community in the southwest corner of our great nation by publishing the annual Race Calendar & Yacht Club Directory, sponsoring seminars, presenting honor awards, funding of our Service Center which assists all our member yacht clubs and so much more.

I look forward to meeting most of you as we embark on this journey to make this one of the best Midwinter Regattas in recent years. Should you need any additional information, please access our Website at www.scyamidwinterregatta.org.

I truly wish you all the best time on and off the water as you pursue great racing, making new friends and having fun in the various yacht clubs your class of boats may be racing. I can always be reached at the below address and phone number should you have any questions or concerns. Once again it is a pleasure to have you participating.

Sincerely,

Themis Z. Glatman,
2018 SCYA Midwinter Regatta Chairperson
