

**MANDEVILLE RACE
June 2 & 3, 2018
Southern Yacht Club
Lake Pontchartrain**

AMENDMENT N° 1 TO THE NOTICE OF RACE

Issued May 21, 2018

This rule allows a boat which is late to her start to use her motor to reach the starting area, even after her Preparatory Signal has passed, which is otherwise when she begins "racing" as defined by the RRS.

ADD the following rule:

1 MOTORING

1.1 Yachts may use auxiliary propulsion without penalty as specified in this section. A yacht motoring shall keep clear of a yacht sailing.

1.2 Prior to *starting* and not within two (2) boat lengths of the starting line, a yacht may motor after her Preparatory Signal time has passed.
