11. ALTERNATE PENALTY - A boat that may have infringed a rule of Part 2 while racing under spinnaker may exonerate herself by dousing her spinnaker (bringing the head of the spinnaker to a point below the level of the gooseneck), making a 360 degree turn including a tack and a gybe, and then resetting her spinnaker. This changes RRS 44.2.

12. SCORING

- 12.1 Each boat's total score will be the sum of her scores for all races, excluding her worst score if six or more races are completed. This changes rule A2.
- 12.2 A boat that did not finish within the required time after the first boat in her class finished and that was still racing when the time limit expired, will be scored points for the finishing place equal to one more than the number of boats in the class that finished the race. The scoring abbreviation for such boats will be TLX (did not finish due to time limit expiring). This changes RRS A4.2 and A11.
- 12.3 A boat that did not start (DNC, DNS and OCS), did not finish (DNF) for any reason other than (TLX), or retires after finishing (RAF) will be scored points for the finishing place equal to one more than the number of boats in the class that entered the regatta.
- 12.4 A boat that was disqualified (BFD, DSQ, DNE and DGM) will be scored points for the finishing place equal to two more than the number of boats in the class that entered the regatta. This changes RRS A4.2.
- 12.5 All other boats will be scored in accordance with RRS A4.1 and A4.2.
- 12.6 If a tie still remains after applying the series tie breaking procedure of A8.1, the procedure outlined in RRS A8.1 will be repeated using all races, including those previously excluded. If a tie still remains, the tie will be broken in accordance with A8.2. This changes RRS A8.2.
- 12.7 A boat starting later than 5 minutes after her starting signal will be scored as DNS. This changes RRS A4.1.
