

2018 Lido 14 Pacific NorthWest District Championship Regatta

August 11-12, 2018, Eugene Yacht Club at Fernridge Lake, OR

Notice of Race

You are cordially invited to participate in the 2018 Lido 14 PNW District Championship Regatta, hosted by the Eugene Yacht Club and Lido Fleet 81 on **August 11-12, 2018**. The Eugene Yacht Club is located at 26126 Bangs Rd, Junction City, OR 97402. The Regatta will be governed by the rules as defined in the *Racing Rules of Sailing for 2017-2020*, except as any of these may be altered by the Sailing Instructions or by class rules that do not conflict with the *Rules* or *Sailing Instructions*.

Format:

- Eight races are scheduled.
- We will attempt five races on Saturday, and three races on Sunday.
- One race constitutes a regatta.
- No races will start after 3PM on Sunday.
- Sailing Instructions and Course Sheets will be available on August 11th at the Regatta site or on the US Sailing Regatta Network.
- A Saturday night dinner will be available for purchase during registration (\$10 each).

Classes:

- The Regatta is open to *all* Lido 14 one-design sailboats.
- Participants must declare whether they will sail in the Lido "A" or Lido "B" division at the time of registration (participants who have previously won a Lido "B" event must sail in the "A" division).
- These two divisions will start and sail together in each race, but each division will be scored separately.
- The EYC Lido Fleet 81 will also be holding its Fleet Championship Series in conjunction with this District Championship Regatta, and Fleet 81 members will also be scored separately for that championship.

Scoring:

- Scoring will be on a low point basis with no throw-outs.
- The regatta will be open to all Lido 14's, however, per Lido Class regulations, Lido A fleet competitors can only be scored for the District Championship if skippers have paid their 2018 dues and registered their boats with the Lido 14 Class Association.

Registration:

- Eligible boats may enter, and purchase dinners, by completing the Registration Form on the Regatta Network and paying via credit card (preferred method!), or by printing the registration form and mailing it with a check to cover fees.
- Entries will be accepted until 10 AM on August 11, 2018.
- Entries post marked on or before July 31, 2018 will be discounted \$5.
- US Sailing members with an active membership on the dates of the regatta will also receive a \$5 discount.
- If not paying by credit card, mail completed registration forms with checks to:

Liability:

Competitors participate in the Regatta entirely at their own risk. See Rule 4, "Decision to Race." The organizing authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the regatta.

Please pay particular attention to these EYC Ground Rules

1. ***Under no circumstances are pets of ANY kind allowed on yacht club grounds***, even if they are left in a vehicle or other enclosure. If you would like to bring your pet, camping is available at Lane County's Richardson Park, immediately northwest of the EYC grounds. Call Lane County Parks at 541-682-2000 for information and reservations or reserve online at reservations.lanecounty.org.
2. Please observe the ground signs and instructions for camping, swimming and parking of boats, cars and recreational vehicles. If you arrive late (after 10:00 pm on Friday), please park and camp in the area just to the right inside of the EYC gate. ***Please keep cars off the grassy areas (they are soft and we have a delicate underground irrigation system) by using the available trailer dollies to move boats.***
3. Alcoholic beverages may be consumed discreetly and in moderation on Club grounds.
4. Be conscious of safety. Please watch your children when they are on EYC grounds, even though they may be in the designated swimming area. Please don't run, jump, or fish on or from the docks. ***Small children must wear life jackets at all times while on the docks or near the water.*** Child safety while on EYC grounds is a parent's responsibility.
5. ***For those who plan to bring an RV:*** Eugene Yacht Club, at the insistence of the County Fire Marshall, can no longer permit electrical cords, hoses and water pipes to cross vehicle traffic areas. Very few Club RV parking spaces are equipped with power hookups. Most RV campers using EYC grounds will therefore need to be fully self-contained.

Out of State Racers, Please be aware of Mandatory Boat Inspections in Oregon

All boaters are required to stop at designated roadside inspection stations (when open). Inspection teams will look inside and outside boats (including kayaks and canoes mounted on vehicle racks) for invasive species. Any area that is capable of storing water for extended periods of time will be inspected. Inspections take approximately 10 minutes. If a boat is contaminated with invasive species, the inspection team will decontaminate the craft on-site. This could take anywhere between 20 minutes to 1 hour. Failure to stop at an open inspection station could result in a \$110 fine.
