1 RULES

- 1.1. The Regatta will be governed by the *Rules* as defined in *The Racing Rules of Sailing* (RRS).
- 1.2. If there is conflict between languages the English text will take precedence.
- 1.3. It shall be each competitor's sole responsibility to properly affix and maintain the bow numbers if assigned and provided at registration/check-in. [DP]
- 1.4. Applicable US Sailing Prescriptions are stated in full in Attachment 1.
- 1.5. RRS 35 is changed to provide that boats not finishing within 30 minutes after the first boat to finish will be scored "Did Not Finish" without a hearing.
- 1.6. STCR 35.5 changes RRS 44.2 to indicate that the penalty is a one turn penalty including one tack and one jibe.
- 1.7. RRS 62.2 and 66 are changed to shorten the time for requesting redress and the requesting that a hearing be re-opened on the last day of racing.
- 1.8. RRS A4.1 is changed to provide that a boat failing to check in prior to the warning signal of their first race of each day will be scored the same as a boat not starting in that race (DNS) without a hearing. See Sailing Instruction (SI) 17.2.
- 1.9. STCR 31.2.6 is modified to allow VHF radios to be carried on all boats for the sole purpose to monitor actions of the Race Committee (RC) and to transmit only in the event of an emergency or retirement on a specific channel designated herein. The RC will attempt to notify all boats that are OCS by VHF radio. Failure to do so by the RC, or the timing or order in which boats are notified, shall not be grounds for redress. This changes RRS 60.1(b).

2 NOTICE TO COMPETITORS Notices will be posted on the official regatta notice board located **in the main clubhouse of the Tred Avon Yacht Club** (TAYC).

3 CHANGES IN SAILING INSTRUCTIONS Any changes to the SIs will be posted before 0900 hours on the day they are to take effect, except that any changes in the schedule of races will be posted by 2000 hours on the day before it will take effect.

4 SIGNALS MADE ASHORE

- 4.1. Signals made ashore shall be displayed from the TAYC flag staff.
- 4.2. When Flag AP is displayed ashore, 1 minute is replaced with "not less than 60 minutes" after AP is lowered. This changes Race Signals.

- 5.4.Five races each are scheduled with 3 planned for Saturday and 2 Sunday.
- 5.5.When more than one race is scheduled on the same day, the warning signal for each succeeding race will be made as soon as is practical. Flag A displayed by the RC finish vessel, while boats are Finishing, means no more races will be sailed that day.

Applicable US SAILING Prescriptions (Rx) to the Racing Rules of Sailing

Rx to 88.2 After rule 88.2 add:

US Sailing prescribes that sailing instructions shall not change or delete rule 61.4, Appendix R, or its prescriptions to rules 40, 60.3, 67 70.5, 70.5(a) or 76.1.

Rx to rule 61.4 Add rule 61.4:

61.4 Fees for Protests and Requests for Redress

US Sailing prescribes that no fees shall be charged for protests or requests for redress.

Rx to rule 67 After rule 67 add:

US Sailing prescribes that:

- a. *A boat that retires from a race or accepts a penalty does not, by that action alone, admit liability for damages.*
- b. *A protest committee shall find facts and make decisions only in compliance with the rules. No protest committee or US SAILING appeal authority shall adjudicate any claim for damages. Such a claim is subject to the jurisdiction of the courts.*
- c. *A basic purpose of the rules is to prevent contact between boats. By participating in an event governed by these rules, a boat agrees that responsibility for damages arising from any breach of the rules shall be based on fault as determined by application of the rules, and that she shall not be governed by the legal doctrine of 'assumption of risk' for monetary damages resulting from contact with other boats.*

Rx to rule 76.1 After rule 76.1 add:

US SAILING prescribes that an organizing authority or race committee shall not reject or cancel the entry of a boat or exclude a competitor eligible under the Notice of Race and Sailing Instructions for an arbitrary or capricious reason or for reason of race, color, religion, national origin, gender, sexual orientation, or age.

MARK 3/GATE/LEEWARD

This language is inserted in the course description:

The R/C will lay Mark 1A approximately 50 meters (7 boat lengths) to windward of Mark 1. Boats shall pass in order Marks 1, 1A, and then 1 all to port before proceeding to the next Mark, per STCR 34.2. In the event of a change of course, both Marks can be moved to maintain the configuration of the course; Mark 1 or 1A can either be pulled entirely; or replaced by a mark vessel. This changes STCR 34.2, Courses.

The practical effects are that 1) it clears the boats approaching the windward Marks from boats rounding the mark and heading downwind much as the current “horizontal” offset to the side does, and 2) has the added advantage of moving the windward rounding pile-up off to the right and downwind of the top-end mark 1A, optimally to or past the starboard layline outside the limits of the respective zones. It increases the likelihood that the port tack boats approaching do so outside of the zones where RRS10 applies and there’s plenty of water to maneuver as needed.
