A boat retiring from a race shall notify a Race Committee vessel before leaving the course, or when that is impossible, at Silvershell Beach immediately after arrival ashore.

An adult (parent, guardian or designated adult) is responsible for the safety of each sailor. It is the responsibility solely of this adult to decide if the sailor should sail in the weather and sea conditions that might arise during the event. The adults supervising the competitors are ultimately responsible for the risks.

Parents not personally attending the event must ensure that another adult is authorized and designated to make these decisions for their sailor and each competitor shall indicate in writing the parent or adult representative that shall be responsible for the competitor throughout the event.

The designated adult will accept full responsibility for all actions of the competitor during any activity related to the event. This includes on-shore activities before, during, and after the Regatta.

This regulation is in effect from date and time of arrival through date and time of departure from the venue.
- 9.2 All competitors are expected to maintain the highest level of conduct throughout the entire event. When the Protest Committee, from its own observation or a report received from any source, believes that a competitor may have committed a breach of good manners, a breach of good sportsmanship, unethical behavior or conduct that may bring the sport into disrepute, or curfew violation, it may call a hearing. After a proper hearing the penalty may range from a reprimand to dismissal from the regatta and additional action may be taken under RRS 69.
