B = 480 for heavy air, 550 for average conditions, 600 for very light air.

9 LAUNCHING AND BERTHING

9.1 A limited number of launching and berthing packages will be available for a discounted fee at the Tahoe City Marina, located adjacent to the Tahoe Yacht Club in Tahoe City. Trailers may not be stored on marina property. Due to the limited space at the TC Marina and limited berths, early reservation/registration recommended. Boats berthed at Tahoe City Marina will be required to obtain/sign a mooring agreement with the marina. To reserve, email Andrew Casci, General Manager of the TYC gm@tahoeyc.com.

9.2 For boats with retractable or shorter keels, launching will be available at a nominal charge at the Tahoe City Public Utility District launch ramp adjacent to the US Coast Guard station in Lake Forest, near Tahoe City. Trailer storage, at no charge, will be available near the launch ramp.

10 ACQUATIC INVASIVE SPECIES INSPECTION

Boats coming to Lake Tahoe from elsewhere now require hot water wash and inspection for shellfish on their bottoms and in bilges. Several places near the Lake provide this service at a modest fee. Near Tahoe City the most convenient location is at the entry to Alpine Meadows off California Route 89 between Squaw Valley and Tahoe City. For boats without motors, the inspection is required, but the fee may be waived. Owners are cautioned to dry out bilges and all gear before inspection. For more information: tahoeboatinpections.com.

11 PRIZES

Prizes will be awarded based on entries.

12 DISCLAIMER OF LIABILITY

Competitors participate in the regatta entirely at their own risk. See rule 4, Decision to Race. The Tahoe Yacht Club and any other organizing authority for the regatta will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the regatta.

13 INSURANCE

Participating boats shall be insured with valid third-party liability insurance. Boat owners are solely responsible to ensure that such coverage is current and adequate.

14 PHOTOGRAPHY

Each competitor grants to the Tahoe Yacht Club and its agents the non-exclusive right to make and publish as it chooses any photographs or videos of regatta events, including but not limited to images of crew members and boats.
