SAILING INSTRUCTIONS

1 RULES

- 1.1 This regatta shall be governed by the rules as defined in The Racing Rules of Sailing.
- 1.2 Appendix V, Section V1 shall apply as follows: the first two sentences of RRS 44.1 are changed to: A boat may take a One-Turn Penalty when she may have broken a rule of Part 2 or rule 31 while *racing*. However, when she may have broken a rule of Part 2 while in the *zone* around a *mark* other than the starting *mark*, her penalty shall be a Two-Turns Penalty.
- 1.3 As stated in the RRS preamble to the Part 2 rules, when a boat sailing under these rules meets a vessel that is not, she shall comply with the International Regulations for Preventing Collisions at Sea (IRPCAS) or government right-of-way rules. This supplements but does not replace the rules of Part 2.
- 1.4 If a commercial vessel has sounded five blasts, and/or the vessel or the Coast Guard identifies an offending boat, the Race Committee shall protest the boat, in which case the Protest Committee shall assume that the identified boat has impeded passage or violated the U.S. Inland Navigation Rules, and the Vessel Traffic or the Coast Guard, the protest time limit shall be extended up to two days after the conclusion of the regatta. This changes RRS 60.2(a) and 61.3.
- 1.5 A Race Committee boat may signal a boat to alter course to avoid impeding the passage of commercial vessels by making a sound signal (horn or whistle) and pointing Code Flag V at the boat. The signaled boat shall promptly comply with the signal unless compliance would create an unsafe condition. If a boat fails to comply with such a signal, the Race Committee shall protest the boat, in which case the Protest Committee shall assume that the course alteration would not have created an unsafe condition, and the protested boat shall have the burden of proving otherwise.
- 1.6 Boats may not take a penalty under rule 44 for breaking any part of these sailing instructions, and a resulting disqualification shall not be excludable under rule A2. The SYC shall cooperate with and provide relevant information to the Coast Guard or other governmental authority regarding investigations of boats impeding ship traffic or violating U.S. Inland Navigation Rules (33 CFR 83)
