

# Low Country Hook

## 2018 Dockage Reservations

Harbour Town Yacht Basin will provide dockage and power for the following vessel for \$ 2.00 per foot for the night of Friday, August 17, 2018.

Vessel owner will be required to provide electrical adaptors if needed. Harbour Town has 50A 220V electrical service at most slips.

Vessels will not be allowed to sail into or out of the harbour. If needed, boat owner will need to arrange for their own tow services into and out of the harbour. Harbour Town will not be able to provide these services.
