Notes to visiting skippers:

Candlewood Yacht Club is located in a private community. Please be considerate of our neighbors by following the speed limits. There are speed bumps on the private roads, so go slowly over them! At the club, we have a single boat ramp for launching and a fixed yard arm with chain hoist for those needing to remove bottom covers. We have set hours on Friday evening and Saturday morning for boat preparation and will have CYC members available to help as needed. Please contact us with any additional questions.

Measurement: Boats and sails must conform to the Official Plan. Each boat must carry equipment required by FSSA Specification Article S-V.2 (Racing Restrictions), and US Coast Guard requirements.

Courses to be Sailed: The courses to be sailed will be described in the Sailing Instructions.

Berthing: Both Dock Slips and Dry Sail berths are available for guest boats.

Scoring: The low-point scoring system of RRS Appendix A2 will be used, except that there will be no throw-outs.

Prizes: Prizes will be awarded to the top 3 boats in the Regatta.

Contact information: Fleet Captain Doug Main race@candlewoodyachtclub.org

Lodging information: We will attempt to pair anyone needing overnight lodging as guests with CYC members – please give us advance notice, with your needs. No camping on CYC grounds is permitted. We are working on providing bunking on our members boats at the club. We have hot water on site but no showers.

CT Cup Information: This regatta is the Final Leg of the 2018 CT Cup open to skippers who are members of the three Connecticut Flying Scot Fleets, 24, 142 and 177 and they are active members of the FSSA. The scoring will be separate from the regatta scoring.

Fleet 24 Flying Scot Fleet Championship: This regatta will also serve as the Fleet 24 Fleet Championship for skippers who are members of Candlewood Yacht Club, active members of the FSSA and will be scored separate from the regatta scoring.
