

ADDITIONAL REGATTA INFORMATION

Davis Island Yacht Club - <http://www.diyc.org/>

The Yacht Club is located at the south end of a small group of islands known as Davis Islands, which were developed from mangrove swamps in the 1920's. While Davis Islands are located very close to downtown Tampa, the community has a small-town feel. Davis Islands' "downtown" is about one block full of restaurants and amenities (two convenience stores, two banks, a Subway sandwich shop, a sports bar pizzeria, laundry, a drug-store, Mexican, Thai, Italian, and Greek restaurants, a coffee shop, etc.)

Our liquor license does not permit outside alcoholic beverages on the Clubhouse footprint, but with the tiki bar so close, many of our guests enjoy drinks poolside. Shower facilities are located in the restrooms beside the pool. These doors are not locked during business hours, although they do stick from time to time.

The club offers complimentary coffee and iced tea, which start brewing when the doors open at around 8 a.m. Saturday and Sunday the kitchen opens for breakfast too. While Tuesday thru Sunday the kitchen is open for lunch service and bar service is available.

Parking Cars, Boats, Trailers

The spaces around the Clubhouse are reserved for members. Cars and trailers may be parked outside of the "Members Only" signs (East of the Clubhouse). Please do not block access to members' boats. The club locks its gates after 10 p.m., so if you arrive late it might not be possible to drop off your boat.

Camping / Housing / Dogs

Recreational vehicles can be accommodated, but require a reservation (diyc@diyc.org) and no electrical or sewage hookups are available. Tent camping, limited housing with with local families and aboard boats docked in the DIYC basin may be available for identified regattas. Contact diyc@diyc.org for more information.

Dogs are not allowed on the premise during regattas and their associated shoreside events.
