1. RULES

1.1 The Beer Can Regattas will be governed by the rules as defined in US Sailing's *The Racing Rules of Sailing*, the prescriptions of US Sailing, and these Sailing Instructions.

1.2 Yachts will normally be scored according to their PHRF-SD Random Leg Course (RLC) handicap and Non-Spinnaker Offset as determined and supplied by PHRF San Diego. The PHRF-SD "Buoy" handicap may be used for scoring in the event a race is run on a windward/leeward buoy course.

1.3 **NAVAL PROTECTION ZONE:** The Naval Protection Zone is a 500 yard regulated area of water surrounding all US Naval Vessels. All vessels within 500 yards of a US Naval Vessel shall operate at the minimum speed necessary to maintain safe course and speed and shall proceed as directed by any official patrol. **NO VESSEL IS ALLOWED WITHIN 100 YARDS OF A US NAVAL VESSEL.** These zones are permanently in effect.

1.4 Racing rule(s) 27.1, 44.1 and 44.2 will be changed as follows:

27.1 – Course designation will be announced at the pre-race skipper's meeting each week. **This does not preclude the race committee from changing the course.**

44.1, 44.2 – The 720-degree penalty turned is replaced with a 360-degree penalty turn. One single tack and gybe in the same direction. Boats violating a Rule of Part 2 RRS downwind legs may postpone execution of any penalty turn until first opportunity after clearing the downwind mark.

2. ELIGIBILITY AND ENTRY

2.1 The regatta is open to all NYCSD members in good standing, all MWR eligible patrons, and Navy Yacht Club member's guests. Boats not owned by NYCSD members may race, in compliance with this document, with a NYCSD member aboard; however, such boat is not eligible for trophies. This rule does not apply to MWR-owned boats and boats owned by non-profits.

2.2 Eligible boats may enter by registering on Regatta Network prior to the Skippers meeting at 1715 before any Series race. Racers will need to re-register for each series: Spring, Summer and Fall.

2.3 Registration for each race is completed by checking in with the RC at the Starting Line. Prior to the warning of the first race each week, each boat shall check-in with, and be recognized by, the RC by passing close aboard on starboard tack and hailing her sail number. When a

boat has been recognized, the RC will acknowledge with a hand signal or the boat's sail number. Boats failing to check-in properly may not be scored.

- 2.4 Entries will be accepted after any of the three series has begun but the entrant must participate in a minimum of four races to be eligible for a trophy in any series. A did not finish (DNF), did not start (DNS) or a disqualification (DSQ) qualifies as participating in a race but a did not compete (DNC) does not. Should an entrant who does not participate in four races of a series finish in the top three positions the next racer below them, who participated in 4 races, will move up in the series standings.

- 14.6. Skippers intending to protest shall hang a **distinct red flag** on the backstay or other prominent position and attempt to hail the skipper being protested so they can take a penalty and avoid a protest hearing if they agree they broke a rule of Part 2 of the RRS.

15. PROTEST ARBITRATION

- 15.1 Arbitration hearings may be held prior to the protest hearing for all protests involving violations of Part 2, RRS at the discretion of the Principal Race Official (PRO). This changes RRS 60.1(b), 63.1, 63.6, and 66.

 - (1) There was no breach of a rule. If the representatives agree, the protest is withdrawn and cannot be reopened. If either representative disagrees, the matter goes to a protest hearing.
 - (2) There was a breach of a rule by one or more of the boats involved. The representatives of the offending boat(s) have the option of accepting a 40% alternative penalty (calculated as in RRS 44.3c, or submitting the matter to protest hearing. - 16.2. SCYA Manufacturer/provisional handicaps compatible with San Diego PHRF area "G" Random Leg Course (RLC) or San Diego PHRF ratings will be used as a baseline for the Race Chair's computation of the Navy Yacht Club “Wednesday Night Series” Rating to score all races. In the event a windward/leeward course is chosen the PHRF-SD “Buoy” handicap *may* be used for scoring. **Special Handicap adjustments (up or down) will be made to level the field of participants in order to make the series anyone's race.** Each Skipper can elect to sign up in either Racing, Cruising or 16.5 class, but changing classes mid-season may affect a yacht's ability to compete for the season championship.
- 16.3. Non-Spinnaker offsets will normally be used in the ratings computation. When a yacht utilizes a spinnaker, the spinnaker rating will apply for that race in the series.
- 16.4. Each yacht's final series' score will be based on the best five scores (or one thrown out for a six race series). A score for the purposes of this SI is defined as a finish position, DNS, DNF, DNC, DSQ or other position as defined in the RRS or this sailing instruction. A finish, DNF, DNS or a DSQ qualifies as participating in a race but a DNC does not. Should an entrant who
