

Dear 2019 Boomerang Regatta Competitor,

Welcome and thank you for participating in the Lauderdale Yacht Club's annual Boomerang Regatta. Below is the general schedule for the weekend.

Optimists will rig and launch from the East Lawn of the Club between the pool and the ICW utilizing the north floating docks and ramps for launching. All Ocean Course boats (Lasers, 420s & Snipes) will be staging & launching from the LYC Sailing Center pad, just before the main entrance to LYC on the north side of the street.

A few reminders:

- No trailers are allowed to park on LYC property, and may be stored at West Marine parking lot, courtesy of West Marine. Please take the time to visit the largest West Marine store in America (great place to buy a trailer lock).
- No outside Food & Beverage is permitted on club property. Guest Cards will be issued at the front desk with a credit card for a-la-carte dining throughout the weekend, or Credit Cards may be used at the outside Pavilion Bar & Snack Bar for purchases over \$5. Throughout the weekend and while the kids enjoy the Saturday Night Raffle, parents and coaches are encouraged to enjoy some of the finest private-club dining in Florida!
- Be sure to Check-In early before the 8:45am deadline, especially if you have a **Sail Number Change** to make. The line gets very long 10 minutes to closing! Green Fleeters, be sure to know your correct and **unique** sail number before you come to the Check-In table.
