

# Notice of Postponement of the March 16, 2019 SCYC MidWinter Regatta

Dated March 14, 2019

## Attention MidWinter Competitors;

Due to extreme adverse conditions at the Santa Cruz Harbor mouth the Race Committee has deemed it imprudent to risk the safety of the SCYC Race Committee personnel, its equipment or the fleet. The March 16, 2019 Regatta is postponed.

This has been a challenging winter. The good news is that we have completed a Series and we **will be hosting a very tasty BBQ and Awards Ceremony at 4pm at the club Saturday afternoon.** Please join us and give a toast to the all the winners and valiant competitors who make racing at SCYC so much fun.

Thank you all for your participation and fine sportsmanship. And a hearty thank you to all the intrepid race committee volunteers who give up sailing to make races happen!

Best regards to all,  
Christina Shaw  
PRO SCYC MidWinter Regatta
