All of the regattas in the series are stand-alone regattas as well as being part of the overall series. Each regatta score will be compiled to determine the series winners – competitors do not need to register separately for the series. The winner of the series will be awarded the Florida East Coast Series Champion Perpetual Trophy.

The series will allow competitors to throw out 1 regatta score, so that if a sailor is unable to attend one of the regattas in the series, he or she can still win the series. The Series NOR is posted on [www.FloridaEastCoastSeries.com](http://www.FloridaEastCoastSeries.com).
