Welcome to the 2019 Hobie Wave North American Championship Regatta!

We are very pleased to be hosting this event in Clear Lake, Iowa. We thank the Clear Lake Yacht Club for the use of their facilities, Fleet 10 for hosting our welcome night, and several members of Hobie Division 7 for their assistance in making this event possible. With their help, we have a great event planned for all of you!

We've worked hard to put together a top notch race committee, collaborated with some excellent caterers and have teamed with our "locals" to bring a bit of regional flare throughout the weekend.

We thank you for joining us - Have fun, sail fast, and enjoy the experience!
