1.0 Rules

- 1.1 The regatta will be governed by the Racing Rules of Sailing (RRS), the prescriptions of US SAILING, the rules of the International Laser Class Association (ILCA) and this Notice Of Race, except as any of these are changed by the Sailing Instructions or any appendices to the Sailing Instructions.
- 1.2 The organizing authority is the Severn Sailing Association, Annapolis, MD, USA and Laser Fleet 10 in conjunction with the International Laser Class Association (ILCA).
- 1.3 Unless a minimum of 15 Standard and 15 Radial entries has been received by the pre-registration deadline (April 27, 2019), all entrants shall start and finish together and be scored as a single fleet. Competitors may choose Standard, Radial or 4.7 rigs at their discretion, and change rigs throughout the regatta, provided that all rig changes are made on shore and all sails have the same number (Rig-Swapping Rule turned on).

Providing that a minimum of 15 Standard and 15 Radial entries has been received by the pre-registration deadline (April 27, 2019), the Radial fleet shall be given a separate start and shall be scored separately from the Standard Rig fleet (Rig-Swapping Rule turned off). Rig-Swapping between Radials and 4.7s shall always be in effect.

This changes ILCA Class Rule 28(d) by permission of the International Laser Class Association of North America.
