Ladies on the Lake Charity Regatta

NOTICE OF RACE

Organizing Authority: The organizing authority is Lake Monroe Sailing Association (LMSA), and will be held on Lake Monroe in Sanford, Florida. Regatta headquarters is located at the LMSA clubhouse, 531 N. Palmetto Ave, Sanford, FL 32771.

Rules: This regatta is governed by the rules as defined in The *Racing Rules of Sailing for 2017-2020*.

Divisions:

Competitive Fleet Division for Monohulls (Planing, Flying Scot, Sunfish & Displacement boats), Multihulls and a **Fun Fleet Division**.

In the **Competitive Division**, a class with five or more boats may be scored separately based on elapsed time. Scoring shall be the Low Point System as defined in Appendix A of the *RRS*. Rule A2 is changed so that no races will be discarded.

Entry and Eligibility:

The **Competitive Division** is open to mono-hull and multihull sailboats with a US Sailing Portsmouth issued rating. These Divisions will race under a standard five-minute start sequence. A female skipper is required. Except for Sunfish, you must also have at least one female crew member and may add one male as active crew. Team colors/costumes are encouraged.

The **Fun Fleet Division** is open to mono-hull and cruising multihull sailboats only with a US Sailing Portsmouth issued rating. This division will not have a standard start sequence, the start sequence will be explained at the skipper's meeting. A female skipper is required. You must have a minimum of one additional female crew member (no limit to other females on board). One token male is permitted to serve drinks and snacks but he cannot participate in running the boat, hoisting sails, etc., though verbal instruction is allowed. If deemed necessary said token male may aide in leaving and returning to the dock/slip. Winning is not based on speed or finishing first, but on creative costumes/team attire and strongly encouraged bribes to the judges.

The **Flying Scot Division** is open to Flying Scots only. This Division will race under a standard five-minute start sequence. Teams are encouraged to sail with at least one female, although not required. This Division will race two days.
