

Jet 14 National Championships 2019

Please join us for the Junior, Women's, and National Championship Regattas at Severn Sailing Association in Annapolis, MD August 7-10, 2019. You don't want to miss this!

- Founded in 1954, SSA has long has long been recognized as the premier location for one-design racing on the Chesapeake Bay. We feature a full spring through fall season of racing plus a winter frostbiting series. We regularly host major regional, national and international championship events. SSA's include three launching cranes and protected basins, plus large staging and dry storage areas. Our clubhouse and snack bar provide an excellent venue for after-sailing activities with an unsurpassed view of the Severn River and Annapolis Harbor from the deck. SSA was home to Jet14 fleet 61, and hosted the Jet-14 Nationals in 2006.
- Please check the Notice of Race (on Class website) for eligibility, fees, measurement and schedule. All forms will be posted on the website as well as mailed to Class members. There is both online and on-site registration, but online is recommended for cost savings and planning purposes.
- **HOW TO GET THERE**
Severn Sailing Association is located at 311 First Street, Annapolis, Maryland 21403. It sits on the northwest corner of the Eastport peninsula in Annapolis, Maryland. Online directions to SSA are generally quite accurate.

Take US Route 50 to Exit 24 (Rowe Blvd – MD 70) to Annapolis. Continue on Rowe Blvd as it bears to the right after College Creek. At Church Circle, turn right and go to Duke of Gloucester Street (the Maryland Inn is on the corner), turn right and go to the end, turn right on Compromise, go over the Spa Creek Bridge then turn left on Severn Avenue (at the light). Go five blocks and turn left on First Street. Severn Sailing Association is at the end of the street on the right.

If you have a large trailer, you may wish to come into Eastport via Exit 22 Route 665/Arts T. Allen Boulevard and Forest Drive rather than coming through historic downtown Annapolis (where the streets are a bit narrower).

- **WHERE TO STAY**
There may be very limited housing available with club members. For more information contact Eric Johnson (erictoddjohnson@yahoo.com).

- **MEASUREMENT**

As in years past, a Measurement Form has been provided so that some/many items can be checked and measured prior to arrival at SSA. This will greatly reduce the measurement time at the regatta site. If you have been measured-in for a previous nationals, and not performed any modifications or repairs to the boat or rig, only the following will need to be measured: 1) boat weight, 2) new sails (previously measured sails will be checked for stamp), and 3) safety equipment. PLEASE NOTE that the Class now has a new certified digital scale, and it was tested last year vs. the old dial scale. The old scale was found to have been weighing boats +/-7 LBS TOO HEAVY above the actual weight. In other words, if you barely weighed in previously with the old scale, you most likely will need to add weight. If in doubt, you should bring some lead that may be needed.

- **SSA ACTIVITIES**

SSA has a very active junior sailing program. During the Jet 14 Nationals, these activities will be in full-swing. Car parking is available in the club parking lot in marked spaces, and along the road adjacent to the club lot.

- **CLUB RULES**

1) No camping or unleashed pets allowed on club grounds.

2) All alcoholic beverages consumed at SSA must be purchased from SSA.

- **QUESTIONS?** Contact Brent Barbehenn cell: 856-577-5993
