

2019 FINN North Americans – Measurement Declaration

From this event’s NOR please note the following:

Measurement will be performed at MBYC, for boats require measurement and will require scheduling prior to the event. Boats may be inspected by the Technical Committee headed by the Class Measurer at their discretion. Boats less than twenty (20) years old shall have a current Measurement Certificate and all sails used shall have an ISAF sail number. Boats may be weighed at the discretion of the Technical Committee. Skippers may be asked to show compliance with all safety gear as required by US Coast Guard and Class rules.

PLEASE READ AND ACKNOWLEDGE THE CORRECT ANSWER

The Finn hull and equipment I’m sailing was recently approved at the US Finn Nationals in Sarasota Florida and has not been changed or reconfigured YES NO

If you answered yes, skip to the signature line at the bottom of the page

The Finn hull I am sailing is 20 years old or older and I do not have a valid certificate. YES NO

If you answered yes, skip to the signature line at the bottom of the page

If you didn’t answer “YES” to one of the above two questions, then you probably fall into this category: The Finn hull I am sailing is less than 20 years old and was not sailed in the 2019 US Finn Nationals.

Do you have a valid Measurement Certificate? YES NO

If yes, please provide a copy. If NO, please notify measurement officials during registration and complete the following:

Year Manufactured		Centerboard #	
Builder		Rudder #	
Mast ISAF #			

IF THE MEASUREMENT OFFICIALS DETERMINE THAT SAID HULL REQUIRED WEIGHING, RECORD THE MEASURED WEIGHT HERE: Dry Weight in Kilos: _____ Verified by: _____

I hereby declare the boat I’m sailing in the 2019 NA Finn Masters is in compliance with class rules and the NOR for this event. I will also ensure that my boat has the safety equipment as required by class and US Coast Guard Rules.
