**Racing:** We are planning on sailing as many races as possible. Two races will constitute a regatta. There will be no races started after 3pm on Sunday.

**Launching/Parking:** All boats will be kept and launched from the Beaver Bay campground. All cars will remain parked at the camp sites. Skippers meeting, Saturday dinner, and Sunday breakfast will be held at the group campsite at Beaver Bay. The park has real restrooms, a small dock and overnight (mast-up) boat parking. For more information please follow the link [HERE](#). Competitors are welcome to launch at Yale Park at their own expense, but no overnight boat storage will be available there.

**Lodging or Camping Options:** We have reserved the Beaver Bay group camp (Thurs thru Sunday) and some individual sites Friday and Saturday nights (tent and non-hookup small campers only). Thursday night and Sunday night camping at the group camp is free. (You can also leave your tent up until after racing on Sunday.) The town of Cougar WA is very close and has other lodging options like B&B, full hookup RV sites, store, gas station and several restaurants.
