## **DC Sail Cantina Cup Regatta**

Washington Sailing Marina, Alexandria, VA  
Event website: <http://www.regattanetwork.com/event/19627>

The 2019 [PRSA President's Cup](#) continues the long tradition of competitive one-design racing that started with the President's Cup in 1934. This year the PRSA is holding the President's Cup Regatta in conjunction with the [DC Sail Cantina Cup](#) in a new effort to foster community building among DC sailing clubs. Prizes will be awarded for Saturday finishes (Cantina Cup) as well as combined Saturday & Sunday finishes (PRSA President's Cup). The Saturday post-race regatta party will be hosted by DC Sail and the District Wharf on the DC Wharf Transit Pier. The District Wharf will donate a portion of the proceeds generated by food & drink sales on Saturday to the [DC Sail Youth Scholarship Program](#).

These races will be governed by the 'rules' as defined in the *Racing Rules of Sailing* (RRS).

#### **2. ELIGIBILITY AND ENTRY**

Please print your SIs in advance if you would like a hard copy.

Use this code for **one** car and **one** entry each day as PRSA will be charged for each use of the code. Additional vehicles should park outside the gated drysail area in the free parking area near the Spinnaker & Spoke marine store.

- 8.2 For the Lightning class, any boat sailing short-handed (fewer than 3 people) will be assessed a 1-point penalty in each race sailed short-handed.

## 9. AWARDS

- 9.1 PRSA President's Cup awards will be given to each member of the winning crews. Depth of awards in each class will be based on the number of registered boats in each class.
- 9.2 The PRSA Norman C. Schaller Memorial Trophy will be conferred to the skipper with the fewest points in the largest fleet among fleets of 10 or more boats.
- 9.3 DC Sail Cantina Cup awards will be given to the top finishing boats in each class based on Saturday's scores only.

## 10. SUSTAINABILITY

PRSA has joined the race to restore the health of our waterways with the [Sailors for the Sea Clean Regattas Program](#). Protecting our natural resources (including National Parks such as Washington Sailing Marina) and our local waters is very important to us. We ask for your help in this effort at the PRSA President's Cup. In particular, we ask that you:

- Use reusable rather than single-use water bottles.
- Ensure that recycling and trash is separated properly before disposing of waste (please take note of the separate recycling bins for cans, bottles, paper, and cardboard in the dinner area; food waste should be placed in the trash).
- Print one copy of the Sailing Instructions for yourself in advance using double-sided printing. We will only have a few extra hard copies available at the regatta).
- Consider a water only washdown for your boat following the event.

**11. DISCLAIMER OF LIABILITY**

Competitors participate in this regatta entirely at their own risk. See RRS 4, "Decision to Race." The Potomac River Sailing Association will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the regatta.
