## Where to Park

If you're coming to MRYC and you're looking for where to park all of your equipment, there are lots of tempting places. It's really tempting to park next to the ramp and beach. The problem is that everyone wants to use the ramp and beach. It's also tempting to park next to the wash-down hoses in the field. These spots are only open because people leave them open for others to use.

Please park cars in the Car Parking Area outlined in orange above.

Please park boats in the Boat Parking Area outlined in green above.

You can be in other areas for 5 minutes at a time to unload equipment. Just remember that *everyone* needs to unload. Please respect the other competitors and leave space for them to unload equipment too.
