

2020 Lipton Cup Communication

June 14th, 2020 San Francisco, California, USA Organizing Authority (OA) – PICYA, Host: Encinal Yacht Club, South Beach Yacht, St. Francis Yacht Club Event website: <https://www.liptoncupsf.com/>

Lipton Cup competitors, in order to prepare the Charter Agreements our boat selection process was required to be performed in advance. On May 21st, boat numbers were randomly assigned from the list of competitors in Regatta Network. They were then checked against the prior year 2019 assignments and found to have assigned each competitor to a new boat for 2020. The list was reviewed by Ted Floyd, Andrew Lorenzen and then provided to the StFYC so the information could be included in each clubs respective Charter Agreement. This is different from prior years but was necessary to complete the Charter Agreement documentation.

Boat assignment results for the 2020 Lipton Cup are as follows:
