

## NOTICE OF RACE

### Flying Scot® 2020 Annual Egyptian Cup Regatta & 2020 Midwest District Championship June 19 - 21, 2020

Host: The Carlyle Sailing Association (CSA)  
Carlyle Lake, Illinois

**Organizing Authority: Carlyle Sailing Association (CSA)**

**in conjunction with Flying Scot Fleet #83 governed by the 2017-2020 RACING RULES OF SAILING, except as modified by applicable FSSA class rules and/or the Sailing Instructions (available online only-please print them before you arrive). Up to SIX races are scheduled. One race will constitute a regatta. Courses will be described in the Sailing Instructions. And due to COVID19 restrictions on race committees, once a course is set, it will not be adjusted other than shortening the course, until the next race if needed.**

**Eligibility:** The Egyptian cup regatta is open to all Flying Scots, and you must be a member of FSSA to participate. The Midwest district regatta is open only to Midwest District FS fleets. Registration for FSSA is available online at: <https://www.fssa.com/content/active-member>

**Registration:** Due to limitations on gathering in the state of Illinois at this time you must register completely online. We will not have registration at CSA and you must be registered at the latest by Thursday June 18, 2020 at 5pm in order to participate. Registration site: <https://tinyurl.com/yarccgkv> To be fully registered for this event you must also send proof of liability insurance via text or email by taking a picture of your insurance that shows active dates and liability amount along with your name to the regatta chair at: [ViceCommodore@csa-sailing.org](mailto:ViceCommodore@csa-sailing.org) or text: 314-606-1501 by 5pm June 18, 2020. (**please** help me get this done as soon as possible since there are a lot more details than usual to running a socially distance regatta). Sailing instructions will be available **online only**, so please print them before arrival.

**Measurement:** All boats may be checked for safety equipment and sail compliance as required by the FSSA class rules. (see [www.fssa-sailing.org](http://www.fssa-sailing.org)).

**COVID19 limitations:** We find our self in a different time and different times are requiring new and different ways of managing regattas. We **cannot** share coolers or have buffet style meals in which multiple hands touch the same surfaces of coolers or tubs of drinks or even the same serving utensils.

Therefore, we are asking our regatta participants to bring your own beverages and food for breakfasts and lunches. We will have bags of ice for purchase at CSA for your coolers.

We will also have fruit and single serve snacks available for you, and we will provide a Steak dinner on Sat evening served outdoors (as required by the state of restaurants in our area) and in a to go fashion container to assist everyone in staying socially distanced and safe. We have large pavilions and can keep groups to 10 or less as required for regattas. We will have a copy of the current policies for CSA regarding COVID19 posted in multiple areas around the club and on our regatta website, and we ask everyone to remember if you touch surfaces that have been touched by other hands, to remember to wash your hands with soap and water or sanitizer after that touch. Also, as of this posting the guidelines require masks if you are closer than 6ft and/or indoors at the Observation building or bath house.

**Fees:** Because of the limitations of providing food and beverages due to pandemic, we are decreasing the regatta fee for this year. It will be the best deal of the sailing season! \$60 for a skipper and one crew and an additional \$20 per person for additional crew. Entry fee includes **Free primitive camping on CSA grounds** in either a tent or single vehicle footprint (car, van, or pickup truck parked in car parking lot). No hookups are available and no camping trailers (including pop ups) will be allowed on CSA grounds. Hookups and pop up trailer camping are available in the state park just outside CSA on first come first serve basis, and at your own discretion. There are also hotels in Carlyle and in Greenville, Il that are close to CSA at your own cost.

## Schedule:

- Friday, Jun 19** 4pm for early arrivals to set up boats and tents. We will not have a welcome dinner but there are multiple places in Carlyle that have outdoor dining and or drive thru dining available. There are also two grocery stores for food pick up if needed. Walmart has groceries and so does IGA on HWY 127 behind the Pizza hut. There is also a Subway sandwich shop next to the IGA.
