

COVID-19 Precautions for the John Larson Memorial Race

Saturday, August 8, 2020

**Channel Islands Yacht Club 805.985.2492
4100 S Harbor Blvd, Oxnard, CA 93035**

1. Prior to racing (0900hrs), a Virtual Skippers Meeting will be held via Zoom to confirm racing details with a representative from each participating boat.
2. Additionally, a delegate from each boat is asked to drive through CIYC's parking lot between 0930hrs and 0945hrs for curbside pickup of their individual Ditty Bags, prepared in advance and in compliance with established COVID-19 precautions by Deborah (Larson) Tyhurst for the pre-race toast to her father, John Larson.
3. After the race (approximately 1500hrs), racers are invited to CIYC for race awards to be presented outdoors with socially distanced seating on the patio, on the lawn adjacent to the patio, and on the 3rd floor deck.
4. Preferred entry is through CIYC's patio door on the south side of the building. As racers arrive, a (masked) CIYC Officer of the Day (OD)* will administer hand sanitizer, non-contact thermometer, and CIYC's COVID-19 Liability Waiver.
5. All attendees will be asked to sign in and are expected to observe social distancing guidelines, ie, wear a mask upon arrival, when moving about, and whenever closer than 6ft to a non-member of one's household or quarantine group.
6. CIYC's 2nd floor is closed except for socially distanced, one-way traffic from the patio staircase, through the bar, to the waterside deck, and back to the patio staircase, where one can choose to go down to the patio or up to the 3rd floor for seating. A lift is available between the patio and the 2nd floor.
7. Food will be distributed in individual servings by designated individuals wearing masks and gloves.
8. The marina bathrooms, located at ground level, will be available to attendees. The doors between CIYC's foyer and the marina bathrooms will be unlocked during this event.
9. In addition to the details above, CIYC's current COVID-19 cleaning protocols will be performed before and after the event.

*OD may be any CIYC member or employee who agrees to perform the duties noted above and has been trained to do so
