

Outlook Trophy. Final? V1 Start Times

With luck I will have flip cards on the RC boat that will show the current minutes after the Lido 14 start.

Remember, these start times are relative to the Lido 14 start time.

If the RC has a problem and does not start the Lidos at 13:00 hours you must calculate a new start time for your self.

RC will have adult refreshments for finishers. Stop by, say "Thank You Race Committee". Get a beer.

RC will be making a lot of announcements on channel 69 to help everyone get off on time.
