******additional note by De Schuyler**

**In 2008, we rented a two bedroom condo in the Berkeley Hills from VRBO.COM. It
was about a 20 minute ride, It was nice to dry out the wet clothes at the end of our race
days. You can check homeaway.com also. Motorhomes are welcome to park just
outside the gate of the RYC. We will be camping in Ryan's toybox along side Duet crew
in a motorhome. I also know many hearty sailors that love to sleep on their boats.
RYC has full shower facilities.**
