Regatta at a Glance:

This year, the North Carolina Offshore Championship (NCOC) will be based in historic downtown Beaufort on Memorial Day Weekend. The Memorial Day weekend regatta has traditionally been a huge event for downtown Beaufort - in previous years, 50+ boats have participated.

The format for 2013 will be similar to last year's races: two days of off-shore racing on a windward/leeward course on Saturday, May 25 and Sunday, May 26 for spinnaker and non-spinnaker boats. There will be a one-day race for cruisers on Saturday, May 25. This will be a fun, distance race off the coasts of Atlantic Beach and Shackleford Banks. Registration for all classes include invitations to the Friday night social and cook-out, the Saturday evening social in Beaufort, and Sunday Award's ceremony.
