Directions from Route #3 North or South:

To Duxbury Yacht Club - Ellison Clubhouse off of Mattakeeset Ct.

From Route #3 -take Exit #11 – Route 14 – Duxbury/Pembroke exit. Take a right at the end of the ramp regardless of the direction you are coming from (North or South). Head east on Route #14, past Police Station, bearing right immediately after, staying on main road. Continue straight through the only lights in town (crossing Route #3A), past a small market area until you get to the High School/Library/Middle School complex. 200 yards later, the road splits at the Ellison Arts Center (sculpture in front of brick, church like building). Bear right and go down to flag pole – take right at pole on Washington Street – up a hill down a hill and take a left at next intersection onto Matakesset Court – DYC is on left at end. Phone # is 781-934-5815

To DYC Golf Course/Trailer parking

If there is no trailer parking available at the waterfront parking lot, exit the waterfront area of the Duxbury Yacht Club and headed straight out through the stop sign up Harrison Street for approximately 1 mile. You will see a sign on the left for the Duxbury Yacht Club which is the entrance the West campus - the street sign says Fairway Drive. Instead of taking a left, **take a right up the dirt drive and park your trailer against the tree line** adjacent to the small barn like house that has restrooms – vending machines.
