General: This race is intended to encourage the continuance of active racing in cruising one-design fleets and handicap fleets made up of classic boats of some maturity. Any present or former Cruising One-Design (COD) fleet, not otherwise entered in a CBYRA sanctioned event on the day of the race, may enter. The first hull of a boat type must have been produced no later than 30 years ago. Starts will be provided for fleets that have a minimum of three boats. Classes will be finalized on the entry due date. Handicap starts for groups or types of boats that are not one design will be conducted (possibly a full keel fleet, a fin keel fleet, a sport boat fleet and/or manufacturer fleets). All handicap classes will be non-spinnaker and will sail with one jib. One design classes may determine spinnaker use on a class-by-class basis.
